

STRATEGIC PRIORITIES 2017-2021

TRANSFORM OUR PHYSICAL AND DIGITAL SPACES

In order to create tailored, cohesive and accessible experiences for our users

Update the Library Master Space Plan

Continue to advance an integrated library service model

Begin to implement OCUL Collaborative Futures with 12 other universities

Establish a Library Digital Strategy including digital asset management and preservation plans

INTEGRATE SERVICES AND RESOURCES INTO TEACHING AND LEARNING

In order to deliver library content to users at point of need

Integrate library content into the learning management system

Support technology-rich learning with the media studio and digital learning commons

Establish "discipline clusters" to coordinate and integrate library support for the U of G curriculum

Update the Learning Commons mission, membership and branding

POSITION THE LIBRARY AS THE HUB OF OPEN INITIATIVES

In order to enhance sharing of educational materials and research outputs

Increase the adoption, adaptation and production of Open Educational Resources

Create robust platforms and policies to support open dissemination of U of G research

Facilitate a series of campus conversations about OPEN

CONTRIBUTE TO STRATEGIC CAMPUS INITIATIVES

In order to achieve shared goals

Continue to engage with the key objectives identified in the Strategic Mandate Agreement

Deliver programs and services to support research creation, dissemination and curation in alignment with campus and community strategic plans

Develop and implement a strategic communications plan that supports the library's strategic priorities and aligns with U of G's brand refresh

FOSTER AN INCLUSIVE AND ENGAGED STAFF CULTURE

In order to grow and develop as an organization

Prioritize, communicate, and implement Organizational Review Committee recommendations

Implement an Inaugural Library Wellness Program for Staff and Students

Develop a Library Inclusion Action Plan

ADOPT EVIDENCE-BASED PRACTICES

In order to inform decisions about library policy and programming

Draft a Library Assessment Plan based on the lessons learned from Library Assessment Roadmap

Implement effective organizational document management practices

Enable library staff to build assessment skills
